WHOLESALE

Price List

SPRING 1938

GROWERS

OF

QUALITY

NURSERY

STOCK

**This list cancels all previous lists, and
is subject to change without notice**

TERMS AND CONDITIONS OF SALE

ALL PRICES ARE NET, F.O.B. NURSERY AT NORTHBROOK, ILL., BOXING AND BALING EXTRA; NO CHARGE FOR PACKING BULK CARS.

All goods travel at the purchaser's risk and expense.

CAUTION—We accept all orders subject to crop conditions and on condition that same shall be void should injury befall our stock from hail, fire, frost, error in count or other causes beyond our control.

GUARANTEE OF GENUINENESS—If any nursery stock proves untrue to description or variety name under which it is sold, we hold ourselves in readiness, on proper proof, to replace such nursery stock that may prove untrue to description or name, or refund the original amount paid. **We shall in no case be liable for any sum greater than the amount originally received for said nursery stock.**

CLAIMS for any cause must be made promptly on receipt of stock. **We will not entertain claims after goods have been once accepted,** or when report is not made within **Ten Days** after arrival of stock. **We express or imply no warranty as to productiveness or life of the nursery stock we sell and will not be in any way responsible for the results secured in transplanting.**

SPECIAL NOTICE—Correspondents are requested to use their printed business letterheads. We do not quote prices to retail buyers. We use every effort to limit the distribution of trade prices to those whom we know to be entitled to receive them.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the transparency and accountability of the organization. This section also outlines the various methods used to collect and analyze data, ensuring that the information is reliable and up-to-date.

2. The second part of the document focuses on the implementation of the proposed changes. It details the steps involved in the rollout process, from initial planning to final execution. This section also addresses potential challenges and provides strategies to overcome them, ensuring a smooth transition to the new system.

3. The third part of the document discusses the impact of the changes on the organization's overall performance. It presents data and analysis showing the positive effects of the implementation, such as increased efficiency and cost savings. This section also highlights the ongoing monitoring and evaluation process to ensure continued success.

4. The fourth part of the document provides a summary of the key findings and conclusions. It reiterates the importance of the changes and the successful outcome of the implementation. This section also offers recommendations for future actions and areas for further research.

5. The final part of the document is a conclusion that summarizes the entire report. It expresses the confidence in the proposed changes and the commitment to ongoing improvement. This section also includes a statement of appreciation for the support and collaboration of all stakeholders throughout the process.

All of the above are
for that class school, fully developed,
and have been in the
state to insure a good school.

For the purpose of the
state, one of the main
aims of the state.

There is a great
need for the state,
as for the state.

One of the main
aims of the state
is to provide a
good school for
the state.
